Re: Corrected Brief, Case No. A-13002

Dear Court Clerk:

Enclosed is my actual original of my opening brief. I have made the necessary and required corrections as I stated I'd make in response to the State's motions and oppositions. There is one small detail I accidentally left out of my "Notice" filed with this Court on 7/6/20 via email though. On page #1 of my corrected brief I made another correction about the time of arrival of the first responders on the scene of the fire on 11/24/03.

As I stated in my "Notice", the State will not be prejudiced by this correction or any others. My only intent was to make sure that my brief is truly as accurate as possible.

Also included is my copy of the bound brief sent by the Court of Appeals with all of my notes and you will notice that all corrections made to the actual original are clearly highlighted in "pink" to make it easier for you to see exactly what I've done to my corrected brief.

Because I've sent you my bound copy, I no longer have any version of my opening brief as I am indigent. Please send me a copy of my corrected brief, bound, as soon as you can.

I also ask that you send bound copies of the brief and appendix to my wife, Cindy Estes-DeRemer #76194, at Hiland Mountain Correctional Center as she is my co-defendant and information in my brief may be useful to her. She is now in the Federal Courts with her case and will soon have a new Federal Public Defender to help her. Since I am indigent, I can not afford to make copies and mail it to her myself.

I hope that this can finally conclude any further issues as to the "acceptability" of my opening brief with the State. All of you Clerks in the Appellate Courts have been very good to me over the years and I thank you for that. I will gladly comply with any requirements set out by the Court if necessary.

Respectfully,
